I have called Rensselaer Scrap & Auto Recycling at 550 South Street Rensselaer NY many times and left a message. It is a working number and the company states they have a city towing contract on their voice mail, but they have not called me back.

Their latest notice is 11266/2E/15 which is valid from Feb 2015 to Feb 2016 for exporting batteries to Newalta, but I am considering them a non-exporter.
